To Whom It May Concern:

Re: Mr. Dan Gettemeier

I am pleased to be able to write this personal letter of recommendation for Mr. Dan Gettemeier. I have known Mr. Gettemeier for many years and worked with him on many electrical projects through preconstruction efforts, budgets, conceptual estimates, value engineered solutions, as well as proposal qualification. In most cases, Mr. Gettemeier represented the owner or General Contractor that had been awarded the project.

Through my numerous interactions with Mr. Gettemeier, I have observed that he possesses many highly valued qualities. Among those most prominent are strong communication skills, professional and positive attitude, organized, methodical, and extremely knowledgeable in electrical contracting. He has a high degree of integrity, a strong work ethic, and the drive to provide value to the most challenging projects. Professionally and personally, I highly recommend Mr. Dan Gettemeier.

I would be more than happy to discuss Mr. Gettemeier and his capabilities. I can be reached at 314-220-7846.

Sincerely,

SACHS ELECTRIC COMPANY

RE: Dan Gettemeier

To Whom It May Concern:

This letter is my formal recommendation for Dan Gettemeier. I have been associated with Dan for over 15 years and would certainly recommend his abilities in the construction area.

Dan has always performed in a professional manner, his knowledge and ability to research and assemble data and associated costs would be valuable assets to any company. When it comes to the budget, the design, the evaluation of the design, and the qualification and analysis of subcontractors, Dan is thorough and produces high quality results.

If I may be of any further service regarding this issue, please feel free to contact me at 314-935-5582.

Sincerely,

A handwritten signature in black ink, appearing to read 'JD Long', written over a light blue horizontal line.

**RE: DAN GETTEMEIER
GETTEMEIER CONSTRUCTION AND FACILITY SERVICES**

This letter is to serve as a recommendation to Dan related to electrical preconstruction services for construction projects. I worked side by side with Dan in my capacity as Preconstruction Manager for McCarthy Building Companies, the 10th largest builder in the U.S. Dan was involved with me not only in projects under \$5 million in total value, but in some of the largest and most complicated facilities in the nation. Dan's role for the electrical scope of work included continuous estimating at various milestones of the documents from conceptual thru 100% drawings, being responsible for the accuracy of the costs, constructability of the design and suggestions on how to keep the quality of the electrical scope intact, yet lower the construction costs.

Dan did an outstanding job for me in this capacity and I highly recommend him for any project large or small. His ability to provide professional services while having fun with the team was very much appreciated by all, including the client.

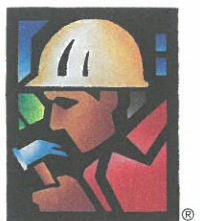

Should you have any further questions you may contact me directly at 314-919-2343.

Respectfully,

MCCARTHY BUILDING COMPANIES, INC.

James R. Contratto
Vice President

To Whom It May Concern:

It is with great pleasure that I write this recommendation for Dan Gettemeier. Mr. Gettemeier has worked closely with Guarantee Electrical's preconstruction and design team, as well as our project management group on several projects over the last five years.

Over the course of the years I have had ample opportunity to assess Mr. Gettemeier's abilities and have found him to be efficient and organized in his approach to client related issues and budgets. Mr. Gettemeier was always professional and considerate of Guarantee Electrical's design value ideas. Mr. Gettemeier and Guarantee Electrical worked well as a team. There was always good communication between both teams.

Dan Gettemeier is a capable professional detailed in pursuit of solving a challenge. I highly recommend him for your project. Should you have any additional questions, please do not hesitate to contact me at 314-678-8047.

Sincerely,

Stephen C. Juan
Vice President
Preconstruction Services

To whom it may concern

Re: Dan Gettemeier

This letter will serve as a recommendation for Electrical Estimating services from Dan Gettemeier. While at Alberici, a construction services firm, Dan performed Electrical Estimating which included both conceptual as well as hard bid work. This work included Building and Healthcare construction markets. Many of the projects that Dan was apart included performance of pre-construction services working with the design team in establishing constructability and cost reviews. Dan also reviewed final scope documents for bid packages and reviewed Electrical Bidders' scopes and dollars.

Dan's work ethic was excellent, working tirelessly with the project team to accomplish his tasks in an efficient and professional manner.

Should you have any further questions about Dan, please do not hesitate to call.

Sincerely,

Ronald W. Wiese
Vice President

To Whom It May Concern:

I have had the good fortune to work on several successful project teams which included Dan Gettemeier of Gettemeier Construction Services. Dan's involvement added value and contributed to the team's success. His work product demonstrated his expertise and attention to detail while being consistently delivered in an organized, accurate and timely manner. His technical knowledge combined with a strong understanding of the project process produced numerous value added ideas related to materials, systems and alternate construction approaches while maintaining project objectives and quality. Dan interacts with the team in a professional collaborative manner that supports a teamwork environment.

It has and continues to be a pleasure to work with Dan on the development and implementation of projects. I recommend him as a positive addition to projects that have a need for the services he offers.

Sincerely,

Perry Hirtz
